JUST EASY & HANDY

The new 2 l bottle Buzil® Laundry

BUZIL® LAUNDRY COMPACT L 810

With powerful tenside system

- ➔ Ideal for daily laundry of mops & towels
- ➔ Optimum dirt removal capacity due to special chelating agents, clearly prevents detached dirt building up again on the fibres
- ➔ Special protection against greying
- ➔ For all types of fabric and water hardness ranges
- ➔ For all washing temperatures: 30°C to 95°C

BUZIL® LAUNDRY STRONG L 831

Removes even the most stubborn stains

- ➔ Liquid detergent booster, ideal in combination with Buzil® Laundry Compact L 810 for particularly heavy soiling

BUZIL® LAUNDRY ENZ 3 L 820

Reliably removes proteins, starch & greases

- ➔ Ideal for daily laundry of textiles
- ➔ With a special combination of enzymes for a radiant white also with carrot, tomato & co.
- ➔ For all types of fabric and water hardness ranges
- ➔ Especially for low washing temperatures: 30°C to 60°C
