3 PRODUCTS WITH ACTIVE ODOUR BLOCKER TECHNOLOGY FOR EVERY DAY!

THE COMPLETE SOLUTION FOR TRIPLE CLEANLINESS & FRESH FRAGRANCE.

No matter where you are: bad odours disturb our well-being. Buzil offers you the complete solution for daily routine cleaning in all living and sanitary areas. Whether you are cleaning the floor with **CORRIDOR® CIBREEZE WIPE S 790**; cleaning in wet areas with **BUCASAN® SANIBREEZE**

G 454 or cleaning on surfaces such as plastic, glass and stainless steel with the improved **DRIZZLE® BLUE SP 20** - all three products come with the unique active odour blocker technology and guarantee a fresh deodorising fragrance and brilliant cleanliness.

CORRIDOR® CIBREEZE WIPE S 790

- Excellent cleaning performance with one-step wet mopping
- Deodorising fresh fragrance with active odour blocker
- Cleans and cares in a single step
- Dirt-repellent with very good cleaning properties

BUCASAN® SANIBREEZE G 454

- Powerful cleaning effect
- Deodorising fresh citrus fragrance with active odour blocker
- Easily dissolves limescale, dirt and soap residue
- Streak-free shine without the need for additional drying due to beading effect

DRIZZLE® BLUE SP 20

- Excellent dirt dissolving power
- Deodorising fresh fragrance with active odour blocker
- High material compatibility, also suitable for acrylic glass (PMMA)
- Universally usable, ready-to-use
